Rivers

"Time is a sort of river of passing events, and strong is its current; no sooner is a thing brought to sight than it is swept by and another takes its place, and this too will be swept away."

Aurelius

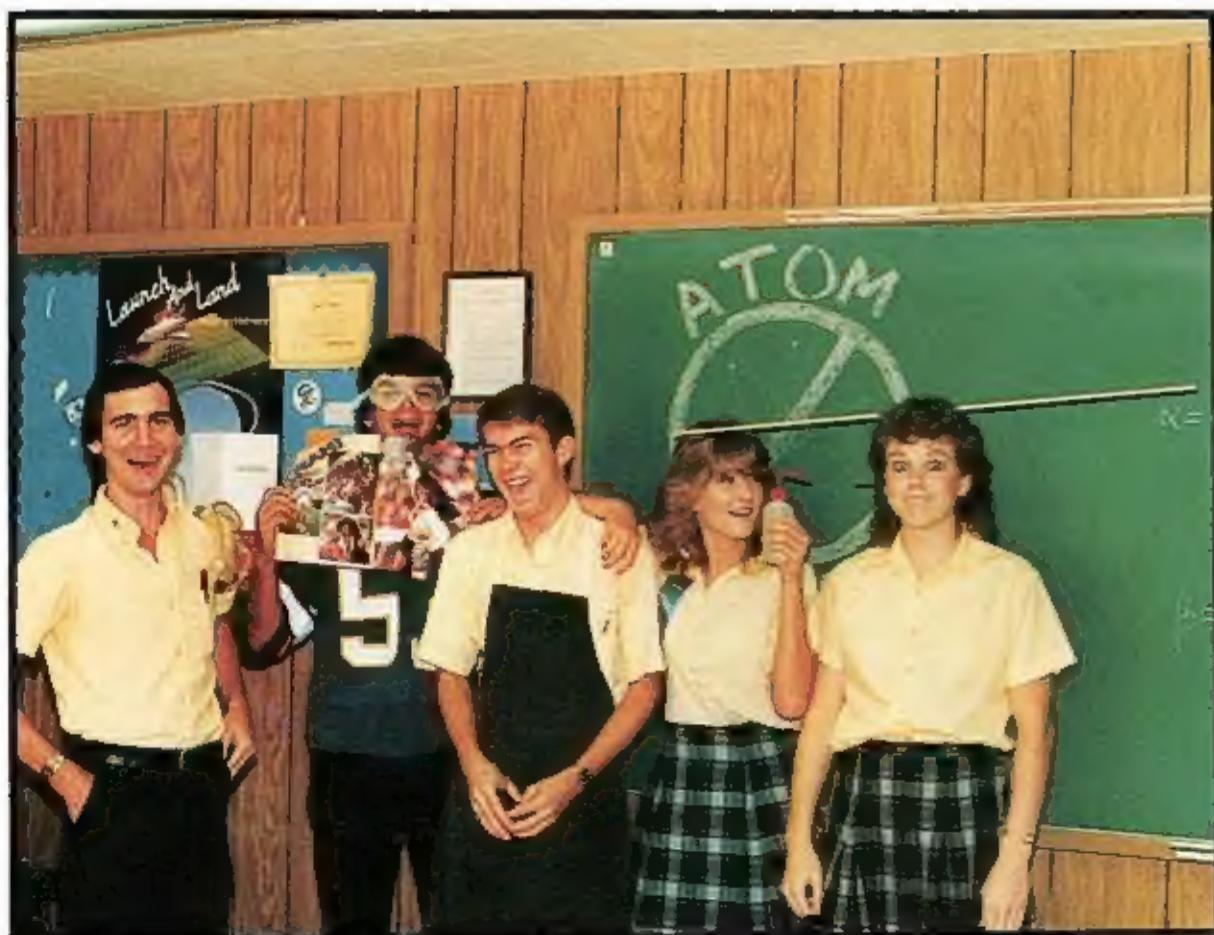

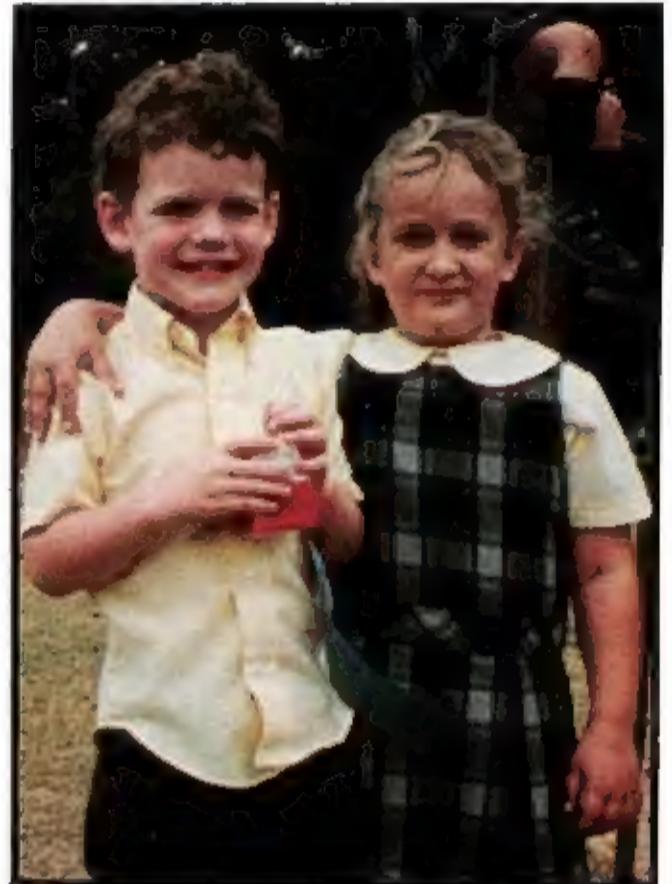

Rivers

"I saw a man pursuing the horizon;
Round and round they sped.
I was disturbed at this;
I accosted the man.
'It is futile,' I said,
'You can never-'
'You lie,' he cried,
And ran on.

Stephen Crane

Rivers

"They that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint."

Mr. And Miss T.H.C.A.

Doyle Dempsey

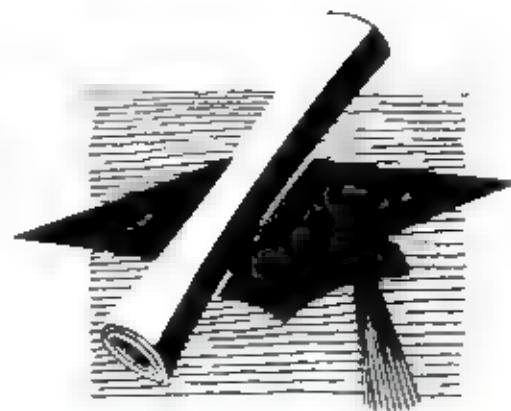

Doyle, a 17 year old 6'1", blonde haired, blue eyed Senior, is the son of Mr. and Mrs. Doyle Dempsey. Doyle attends First Baptist Church in Vivian, and enjoys playing football, collecting knives, and being with his '56 Chevy. Besides being handsome and admired by his friends, Doyle has achieved many accomplishments through his years at T.H.C.A. Among them includes being named class favorite for two years, All District in football and baseball, honor roll, captain of the football team, and most athletic in Who's Who. He was also involved as the Junior class president, a member of the French Club, and sophomore maid in the male homecoming court. In all these accomplishments, Doyle has been successful at giving his best and it is a sure fact he will do his best in representing the school as this year's Mr. T.H.C.A. Congratulations to Doyle, and we would like to wish him all the best for his future.

Kelli Graham

Kelli, a 17 year old 5'6", blue eyed, brunette Senior, is the daughter of Mr. and Mrs. Norman Graham. Kelli attends Trinity Heights Baptist Church where she is an active member. She enjoys cheerleading, collecting snoopys, cooking, and going out to eat. Besides being pretty and loved by all of her friends, Kelli has been involved in many activities throughout her years at T H C.A. and has received many honors. Some of her activities include being a member of the Lady Eagles, National Honor Society, Literary Rally, and Mu-Alpha-Theta. She was chosen Junior Maid, Senior Maid, a finalist in the Beauty Pageant, cheerleader, class representative, and class senator. To add to her honors Kelli was chosen, Miss T H C.A. 84-85, a title she well deserves. Congratulations and we wish for Kelli the very best in the future.

Seniors

The Seniors of '85 are more than just a class, they are a group of real friends that have grown up together and stayed close through the good and the bad. Although this is our last year assembled together, we believe we will always stay united in our hearts and spirit.

Who's Who

Congratulations! Your efforts, your drive, your involvement and your dedication to your place in our school ... have led to success ... And to this recognition. For particular characteristics your peers have chosen you for this year's Who's Who. As a piece of advice to each of you take God with you as a partner down the road of life, and let him help you make the decisions and do not just turn to him when your back is against the wall, but make him a vital part of your everyday life. Reach out and touch a life and you will feel better for it. Remember to give yourself and then some. May all of you be amply rewarded and may your future be ever bright and fulfilling!

Junior Ring Ceremony

Mike King receives his ring

Seniors await their presentation

The 1983-84 school year brought many new activities and events to the life of the school. Among them was the Junior Ring Ceremony presented by the Seniors. Each Junior had anxiously awaited the day when each would receive that special ring. The art club provided a huge ring to walk through as each ring was presented. Also, the skit "Memories" was performed and left no one with a dry eye. This was a first for the school and we hope it will be a tradition with each upcoming Junior class.

A Dedicated Educator And Christian Man

Principal Cecil Owens

It is with great pleasure that the Aquila staff dedicates the 1985 Aquila to our principal, Mr. Cecil Owens. This being Mr. Owens last year as our principal, we wanted to show him our greatest of gratitude for the many things he has done for Trinity Heights over the last twelve years. Mr. Owens has been a fine Christian example for all of the past and present students at Trinity Heights, and a well-respected man in his community. The time and effort he has spent in making this school the best it could be is unending. Thanks again to a fine person and a superb principal.

Assistant Principal **Mrs. Win Owens**

Mrs. Owens is often found very busy. She is the counselor for all Trinity Heights students. She enjoys helping with schedule changes and many other needs of the students as the year progresses. She is a dedicated person and is well-liked by everyone. Having been a counselor for twenty-six years, Mrs. Owens has taught for nine years with four of those at Trinity Heights. She continues to be a dedicated person to the Trinity Heights administration.

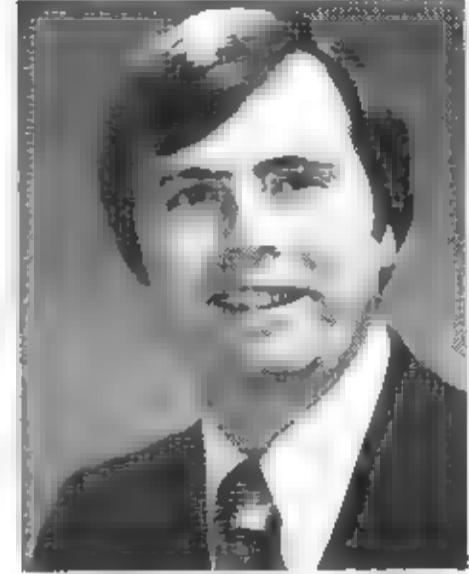

Leadership

The credit of spiritual leadership in the school is indebted to the staff at Trinity Heights Baptist Church. Dr. Roger Freeman works in the capacity of pastor and has been here for eight years. Since 1978 Rev. Lonnie Wascom has been Minister of Education. The music is under the direction of Rev. David Worthington who has been with us for 1 year. The newest addition to the staff is Rev Dave St. Andre, who accepted the position of Minister of Youth. The students really enjoy listening to Dave preach as well as sing during chapel. Thank You Staff for being a vital part of the academy.

The School board is the governing body of the Academy and consists of 12 members who are actively involved in making decisions it takes concerning the school and the students. They go by a charter and by-laws at their meetings once a month and each member gives a report every meeting. Actually, the board policies are all written down and kept in a large book. They are adopted and updated whenever rules need to be changed.

Joe Shilling, Pam Wiggins

Sonya Lawrence, Doyle Dempsey, Kelli Graham

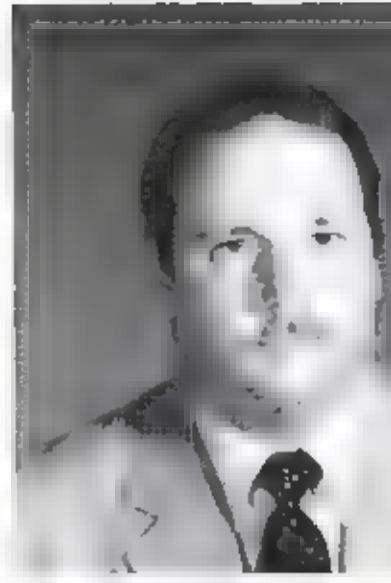

Angela Buckalew, Brian Butler

The school owes a lot to Mrs. Harmon and Mrs. Shilling for keeping the school running as far as records and financial affairs are concerned, but every once in awhile they will get so busy with trying to get everything done that they need a little help from students who are willing to give up an hour out of their busy school day just to help in the office. The students help by answering the phone, running errands, and just being available if needed during the hour. Thank You Mrs. Harmon and Mrs. Shilling for keeping the office together.

Homecoming week was filled with many exciting days. We enjoyed Mash day, Nerd day, Let's Go Crazy day, South Sea's day, and Blue and Gold day. Each day students portrayed the theme by dressing up in unusual clothes. At the end of the week a Pep Rally was held and the Boy's Homecoming Court was announced

Mash Day began Homecoming week for many spirited students

Nerd day involved students as well as teachers

As the week went on students got a little crazier on Let's Go Crazy day.

The Trinity Heights Beauty Pageant sponsored by the Journalism Department was held on October 27, 1984. The Pageant began with over 50 girls nominated by organizations. These girls went through an interview and stage judging. The top fifteen were chosen to be in the pageant and the next ten were Story Book Girls. The contestants were faced with interviews, sportswear, and evening gown competition. They were treated to a nice luncheon with the judges at T.S. Station, where Queen Julie Frazier wished them "Good Luck" for the final competition. The night culminated with Carol Baillio being crowned "Our Enchanted Princess".

Tears, Tassels,

Graduation had finally arrived. It seemed just like yesterday they were sitting in kindergarten trading lunches. Junior High was only a step away and then High School. The memories of spirit breakfasts and pep rallies would linger in their minds forever. No more tardy bells, late admits, or who would get the front row parking spaces to worry about. No one would forget the Alma Mater that they proudly sang in honor of their school. The graduates all have their memories, but the ones of their Senior year are the most special.

Memories Of Mardis Gras

Mardis Gras is an exciting time of the year for South Louisiana. However, this past year Trinity Heights got in on some of the Mardis Gras spirit, when the eighth graders formed the "Crew of Amour" and paraded around the gym. Kindergarten through seventh grade enjoyed catching beads, dabloons, and candy. This is another tradition that is looked forward to by every eighth grader.

Scott Ryan and Alicia Reid were king and queen of Mardis Gras.

Mr. Tinsley led the Mardis Gras parade.

Eighth graders were excited and ready for the parade.

Vicksburg, A City Of Heritage

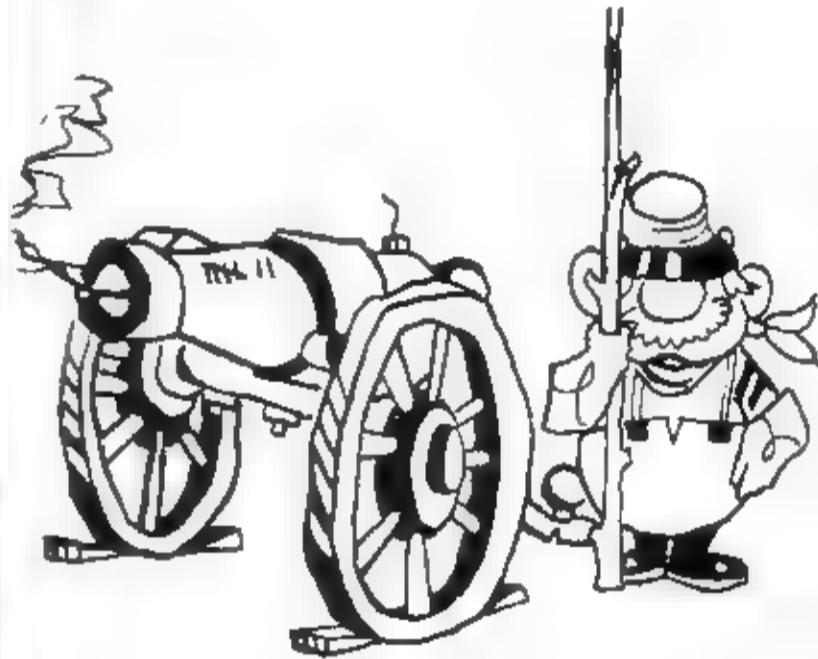

Seventh graders and Mr. Tinsley were involved in shopping and touring

Seventh graders enjoyed sightseeing on their trip

The seventh grade class had an exciting trip last year. They toured the Vicksburg battlefields. Mr. Tinsley and Mrs. Terry went along with the students and assured them a trip they would never forget.

A visit to the battlegrounds was especially educational

Behind The Scenes

The lunchroom staff which includes Mrs. Glenn, Manager, Mrs Spain, Mrs Rudolph, and Mrs. Good have done a good job this year of preparing lunches and snacks for the students. This is the sixth year that they have worked in the lunchroom and we hope they will continue to do so.

This is the first year that Mr. Charlie Jones has been the Custodian at T.H C.A. His job is to keep everything in working order. We appreciate all of his hard work.

Mrs. Whittington has been a big help working as an aid for Mrs. Hisaw, the 6th grade teacher. She gets here every day at twelve o'clock and stays until three o'clock. Thank you for all of your help

It's Christmas Time Again!

Christmas is one of the most awaited times around T.H.C.A. The High School gets into the spirit by seeing which class can decorate their Christmas tree the best. The seniors invited Santa Claus to come and visit with the Elementary, but the high school got in on it too. The last day before the Holiday's everyone came to school dressed up and had a Christmas party in their home-room.

The Lady Eagles enjoyed another successful season. They finished with a regular season record of 30-0 and awaited the state playoffs with high anticipation. The ladies were winners of the Trinity Heights, Plain Dealing, Bienville and Cedar Creek tournaments.

Coach Merle Gore again led his team through a great season. Coach Gore is going for his sixth state championship this year.

Seniors

Seniors Casey Cassel, Kelley Cooper, Jan Davis, Debbie Harrison, and Debbie Watts

In their final year as players, the Seniors tried to put their best effort forward. Their jobs of leadership were not easily done and an undefeated season was not easy to come by, but with hard work and dedication they were very pleased with their performance in the end.

Managers

A good basketball team would not be possible without dedicated managers. Managers Cindy Drake, Kristi Dick and Stacey Brown were assets the players greatly appreciated.

Participation

Student Government Association

Among the many different organizations at Trinity Heights, one particular club stands above the rest. Trinity Heights' Student Government Association is consistently the most active and involved organization to participate in. SGA sponsors a workshop at the beginning of the school year in order to welcome back students with a big pep rally. Homecoming, spirit contests, SGA Secret Students, Student Government Week, Spring Fever Day, Halloween Party, Christmas Party, and Elementary Field Day are a few of the projects SGA promotes.

Many activities the SGA sponsors are very original and need an explanation in order to clearly understand their purpose. One such project is the spirit contest. This is a semester divided student involvement activity in which all four high school classes compete against one another to win spirit points. The spirit games vary from week to week ranging from bobbing for apples to water balloon fights. The class with the most points at the end of the semester is allowed to wear blue-jeans for one week rather than wearing uniforms. Also, at the end of that week the class goes to eat at the restaurant of their choice. Activities such as these keep students interested and active in their school.

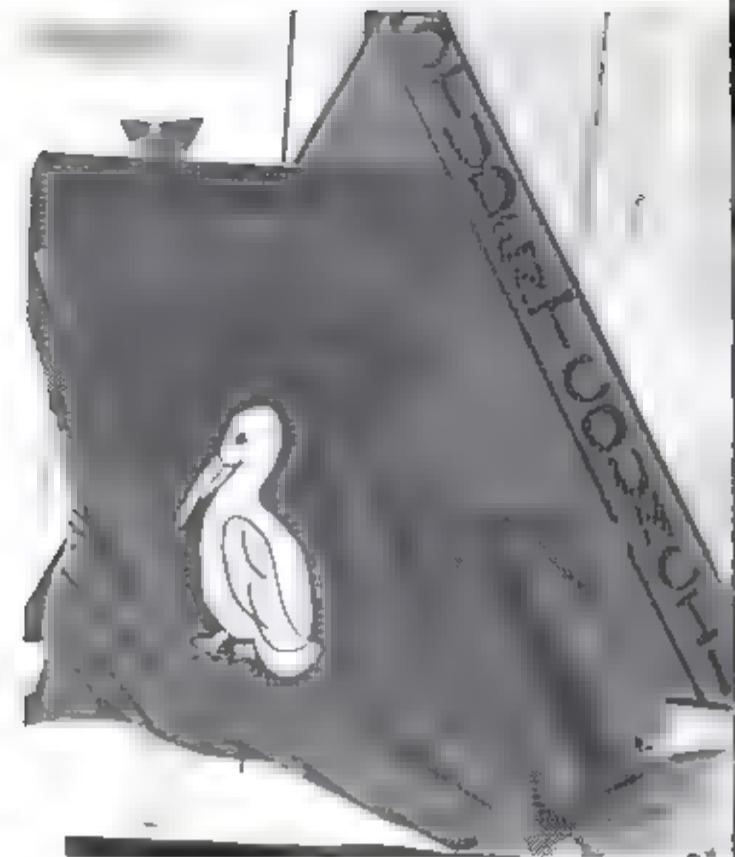

In order to finance these projects, the SGA maintains a very active fund raising plan. Some of the money raising projects include: Santa Grams, bluejean Day, bake sales, and M&M sales.

The Student Government Association cares a great deal about the people that support them and the school they represent. The following activities are done in appreciation to their supporters. SGA hosted a luncheon in which they presented a microwave oven to the teachers, a calendar of events is placed in the main quadrangle to keep everyone informed of what is happening, a newsletter is provided for all SGA members to keep them aware of the club's activities. Also, a trash cleanup has been organized to help keep the campus cleaner by assigning a different school club to clean up each week.

members are generally elected by their peers to represent each different organization in the school. One may also obtain membership in the SGA by volunteering their services in the required number of activities. Members have the opportunity to attend Student Government workshops and conventions throughout the year. These promote students to actively participate in making their school a better place to be.

The success of Trinity Heights SGA is based largely upon the leadership of sponsor, Mrs. Kent and president Casey Cassel. Between these two people and a group of responsible, caring members the Student Government Association has established itself as an outstanding organization at Trinity Heights.

National Honor Society

Brian Wreyford served as President of the National Honor Society with the help of the other officers, Kelli Graham, Troy Moore, and not pictured- Kyle Patterson

Membership in the National Honor Society has become recognized nationally as one of the highest honors that can be bestowed upon a high-school student. Membership is, however, more than an honor; it carries with it a responsibility and should be considered the beginning of an obligation, not merely the successful culmination of an effort to achieve recognition and honor. Once selected for membership, a student is singled out. He should not only continue to demonstrate those outstanding qualities which brought about his selection, but he should also exert a new influence to improve conditions about him and promote those qualities, leadership, character, scholarship, and service, for which the National Honor Society stands. Here at Trinity Heights Christian Academy, we are especially proud of our National Honor Society students. Each year the high school faculty members sponsor a luncheon in the Home Economics Department honoring our members.

Mu Alpha Theta

Mu Alpha Theta is a national honorary mathematics club. It is for those students who show a special interest in mathematics. To be invited to join Mu Alpha Theta, a student must have at least two credits in college preparatory math and maintain a B+ average in all math courses. The Mu Alpha Theta meets on the third Tuesday of each month. At the meetings, the students work on special projects and get special lunch orders. We are proud of our Mu Alpha Theta students.

Computer Programming

With today's knowledge explosion, students must learn skills rather than just facts. The computer is a valuable tool for teaching and reinforcing these skills. In Mr. Ponder's Computer Science classes, students are presented challenges and problems for which they must use the computer as a tool in the solution of those problems.

Future Homemakers Of America

Mrs. Williams served as the new Home Economics teacher this year

The Home Economics Department has been a busy place this year. Students have found the home Economics is not just sewing and food preparation. Home Economics involves developing lifetime skills that are very necessary. Having experienced assignments and activities that used goal-setting, research, planning, time, and energy management, problem solving and socialization, the students will be better prepared for their futures.

Our department has enjoyed helping with on-campus activities such as, luncheons and SGA activities. We hope to have an abundance of Home Economics students next year.

Football Program Staff

The football program staff has been tremendous in helping our spirit and loyalty to our team. Lisa Bussell, Debbie Watts, and Coach Gore have worked very hard over the summer selling ads and working on program layouts. Everyone at the games enjoyed reading and looking through our excellent program.

# *Close-Up To Washington D.C.*

On December 9, 1984 the close up members left on a week long trip to Washington D.C. The students spent most of their time learning first hand about our government from Senators, Representatives, lobbyists, and administrative officials. While the students were there they attended seminars, briefings, and question and answer sessions to help them understand more about our government. They were taken on guided tours of Washington where they saw the Washington Monument, Lincoln Memorial, the Supreme Court Buildings, and many other national landmarks. The participants also had time to tour on their own. For everyone it was an experience never to be forgotten.

# Literary Rally

One of the highest academic honors a student can receive is to be invited by a teacher to participate in the rally. Our students participate in four rallies: the North Louisiana High School Rally at Tech with those placing in the top five going on to participate in the Louisiana State Rally at LSU-Baton Rouge; the Louisiana Independent School District Rally with those placing in the top five going on to be judged in the LISA State Rally. We call these students our "Rally Teams" because they are participating academically in a way that is just as important to the school as our athletic teams.

Mrs. Owens along with Mr. Ponder and Mrs. Weldon helped to organize our literary rally

This is our first year to have a quiz bowl and we were proud to be represented by these fine and outstanding students.

# BE CHOOSY.

Selecting each student who attends Centenary College is one of the most important decisions we make.

Our students are achievers; they are motivated to succeed in challenging scholastic programs.

They are leaders, shaping and directing a wide variety of extra-curricular activities.

They are open to new ideas and talk frequently and freely with faculty, staff, and peers.

They are fun-loving — they reach out, care, and take a personal interest.

Selecting the right college may be one of the most important decisions you will ever make.

Be choosy.  
We are.
